

Pro Science 2013/14 Teacher Questionnaire

It would be hugely helpful to hear what you have thought about working with Pro Science this year. Your feedback is extremely valuable and the information you provide will be used by Pro Science staff for evaluation to improve our future service and for promotional purposes only. No names will be mentioned unless we explicitly request permission from you to use them.

Many thanks indeed,

Katie Hudson
(Founder Pro Science)

Your name:

Your school:

Your Pro Science student's name:

Which class/es did they work with?

Overall, did you find it useful having this student's input in your classes?

- Yes
- No

Do you think their input benefited your students?

- Yes
- No

Would you like to have a member of Pro Science next year?

- Yes
- No

If not, please comment:

The Future

In which three ways was Pro Science most useful to you?

Please give three ways in which we could improve our service next year.

We would hugely appreciate a quote/ quotes that could be used (on our website or promotional materials) to show how a Pro Science undergraduate has been particularly beneficial to you and/or pupils of yours.

Do you have any other comments you would like to add?
